

After School Program Letter/Registration/Screening

Dear Student & Parent/Guardian,

I would like to introduce to you the new youth afterschool program at the Helena Indian Alliance. This program will take place after school Monday through Thursday from 3:30 until 5:30 pm. The program is open to all community members, Native and non-Native, and is free!

It is my goal to provide a safe afterschool environment in which the children will have the opportunity to participate in fulfilling activities that will allow each of them to learn life skills, build self-confidence, and ultimately have a lot of fun.

I am in the process of finalizing a calendar of activities which include horseback riding lessons, healthy cooking, rock climbing, field trips, art projects, tobacco prevention, and community service. If you would like to participate in this program, please fill out a registration form and screening table (attached). Since our resources are limited, we will be conducting screenings to accept interested candidates. We hope to see you afterschool!
