

## **After School Program Letter & Registration**

Dear Student & Parent/Guardian,

I would like to introduce to you the new afterschool youth program at the Helena Indian Alliance. The program will start on Tuesday September 5, 2017, and will run every Monday through Thursday from 3:30pm until 5:30 pm. The program is open to all community members, Native and non-Native, and is free!

It is my goal to provide a safe afterschool environment in which the children will have the opportunity to participate in a variety of activities that will allow each of them to learn life skills, build self-confidence, and have fun.

I am in the process of finalizing a calendar of activities which includes horseback riding lessons, healthy cooking, rock climbing, field trips, art projects, organic gardening, tobacco prevention, and community service. If you would like to participate in this program, please fill out a registration form from our website, or you can stop by HIA and pick one up. We hope to see you afterschool!
